Total money you made this week with Uber	

Amount kept by Uber	-CA\$3.34
Amount that Uber keeps to support the costs of giving drivers on the Uber app a high-quality experience when driving using the Uber app. This negative amount means that you had an exception this week in which your earnings beyond fares (such as promotions) were greater than the Uber service fees.	

**Certain charges, such as "airport surcharges", relate to obligations imposed by third parties, including governmental entities. These charges may be paid to those third parties or used by Uber. This amount contributes to the payments fees and government-mandated commercial auto insurance that Uber maintains on behalf of drivers, as well as other insurance and insurance-related expenses. This amount goes toward overall insurance and payments expenses in your region, but does not necessarily reflect

insurance expenses incurred on each trip. Note that Uber is not an insurer, insurance agent, or insurance broker; Drivers must maintain auto insurance as required by law.
